Jonathan Duarte

Third Year, Computer Engineering

Mobile: (+91) 9152202130
Mail: jonathanduarte840@gmail.com

Career Objective:

Passionate Developer with strong leadership and relationship building skills. Developing applications in MERN and Nextjs. Experience in developing Decentralized Blockchain applications using Ethereum, Ganache and Truffle.

Education:

Degree	Name of Institute	University / Board	Year of Passing	Percentage / CGPA
B.E.	Fr. Conceicao Rodrigues College of Engineering	Mumbai University	2020 - 2024	8.84 (Up to Sem V)
HSC	Nirmala Memorial Foundation College of Commerce and Science	Maharashtra State Board	2018 - 2020	74.00 %
SSC	St. Francis D'Assisi High School	Maharashtra State Board	2011 - 2018	84.60 %

Achievements:

- **ALGOHOLIC 1.0 Coding Competition**   September 2022
- **BitnBuild Hackathon**   January 2023
  Secured Third Place in Blockchain Domain.
  Developed Frontend along with smart contract.
  Project Link: https://github.com/John840001/BlockBuster_Bit-n-Build

- **Unscript 2k23 Hackathon**   February 2023
  Secured Third Place in Blockchain Domain.
  Developed Frontend along with smart contract.
  Project Link: https://github.com/John840001/BlockNyte_Unscript_2k23

- **Crescendo 2023 Hackathon**   March 2023
  Project Link: https://github.com/John840001/52_-000_Crescendo2023

- **Developing a Website for ASME CRCE Council in NextJS**
  Project Link: https://github.com/John840001/ASME-Web

Technical Skills:

- Solidity
- Ganache and Truffle
- NextJS
- MERN
- Python (Basics) - https://coursera.org/share/6306badac6f6f06a78e525f44c902e26

Soft Skills:

- Great command over English Language.
- Fast Learner.
